My dear Mr. Parlow,
I am so sorry
that after all I can-
not possibly go to
hear your daughter
to-morrow. I had
promised to hear
the College of Music
Performance long
ago and it is at 3
to-morrow!! —

I hope to have
her at two of
our Concerts in
January - but
my husband will
write to you about
them -

I am delighted
Princess Louise
heard Kathleen.
I am sorry to say
that we have already
engaged our Violonist
for Canada -
Mr. Haydn Wood

who has been playing
with me all the
Autumn - You
see all these impor-
tant engagements
are made long in
advance and I only
have had the pleasure
of knowing of your
daughter very lately.
But with her great
talent she ought to
make her mark
soon and succeed
well -

With my best
wishes and hoping

to see you in
Germany.

Believe me
Yours sincerely
Edmund

Very love to Kathleen
and 'Bon courage'
